Covid-19 Driving Test Customer Information

You must follow these Covid-19 driving test guidelines, or your test will not go ahead

RSA

Before your test

Follow guidance
Ensure you adhere to the latest public-health guidance.

Covid-19 and symptoms
If you have covid-19 or covid-19 symptoms cancel your test.
You will be sent a new invitation to rebook your test for free.

Manage my booking

Clean your vehicle
Clean your test vehicle and remove all personal items from it.

Ventilate your vehicle
So that your test can go ahead ensure all the windows in your vehicle are partly open to allow air flow.

Wear suitable clothing
Windows must remain open during your test so wear suitable clothing to allow for this.

Wear your mask correctly
Ensure your nose and mouth are covered by your mask. If you will be wearing glasses, find a suitable way to prevent them from fogging.

At the driving test centre

Sanitise your hands
You must wash or sanitise your hands before and after your test.

Dispose of your mask
After your test, place your used disposal face mask safely in the bins provided.

Please wear a mask
Wearing of mask or face covering is still strongly recommended.
You can either wear your own mask or face covering or one will be available for you.

On occasion there may be a third person in the vehicle to supervise the test, this will meet all the necessary Covid-19 requirements.
