June Bank Holiday

- Plan ahead.
 - Make sure you know how you're getting home, whether by taxi, with a friend, or public transport.
 - Don't walk home if you're drunk.
- Never ever drink and drive. Any amount of alcohol impairs your driving so either leave the car at home and arrange alternative transport, or stick to the soft drinks.
- Why not designate a driver? And take it in turns
- Don't forget that you could still be over the limit the next morning

June Bank Holiday

**Friday 3rd June
and Monday 6th June
between 2pm and 8pm**
