

Health & Safety Declaration

I _____ hereby certify that the following business and centre where Motorcycle IBT is to be provided complies with the Safety Health and Welfare at work Act 2005.

I confirm risk assessments have been carried out to cover the Centre, the Compound and any of the activities either directly or indirectly associated with the provision of Motorcycle Initial Basic Training in accordance with the syllabus and requirements as set out by the Road Safety Authority. And on foot of that assessment the centre has devised and implemented a safety statement to facilitate delivery of all training required under the Motorcycle IBT and a copy of that statement is attached hereto.
