

Loan Agreement for FlineBox Breathalyser Device

Introduction

This document outlines the terms and conditions for the loan of a breathalyser device (FlineBox) from the Lender to the Venue (hereinafter referred to as the Beneficiary). The device is to be installed at the Venue to offer customers alcohol testing for informational purposes only. The Lender will maintain the device throughout the loan period, while the Beneficiary is responsible for ensuring its proper use, accessibility, and upkeep.

Responsibilities of the Beneficiary

The Beneficiary agrees to use the FlineBox responsibly and maintain it in good condition. The following measures are to be observed:

- **Power Supply:** Ensure the FlineBox is plugged in and operational during the venue's operating hours.
- **Cleaning and Hygiene:** Regularly clean the FlineBox screen and external surfaces to maintain hygiene standards.
- **Straw Supply:** Keep the FlineBox stocked with the designated straws. If refilling is required, use the key provided and follow the specified instructions.
- **Protection from Damage:** Take reasonable precautions to prevent damage to the device caused by users or other factors within the venue.
- **Waste Management:** Regularly check and empty the FlineBox's waste bin when full.

Maintenance and Support

The Lender will provide maintenance support as needed, including repairs and technical assistance. The Beneficiary must promptly inform the Lender of any issues or faults with the device.

Liability

The Beneficiary will be held accountable for any damage resulting from negligence or improper use. In the event of loss or irreparable damage, the Lender reserves the right to seek compensation.

Acknowledgement

By signing this agreement, the Beneficiary acknowledges their understanding and acceptance of the conditions outlined herein.
